LETTER REGARDING PATENT TERM ADJUSTMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

The subject patent application issued with a notice that the patent term had been extended or adjusted under 35 U.S.C. 154(b) by 609 days. Patentees believe this is incorrect and that the adjustment should be 518 days. The number for the Applicant's Delay did not include the three month extension of time filed with the Amendment and RCE on January 11, 2008. Because of this an additional 91 days should have been deducted from the USPTO delay figure of 907. The total patent term adjustment should be 518 days.

Respectfully submitted,

By / Barbara G. Ernst /
